WHAT DO I WEAR TO COURT?

Are they going to make me dress up? Nope - not unless you want to. Just keep it chill.

Hoodies, sneakers, and jeans are totally fine to wear in court!

Let's all just RELAX

no sweat, just core memories

1 Courthouses have security

Just like an airport, courthouses have security. You'll go through a metal detector and they might ask you to take off a jacket. Takes about a minute.

2 Phones and watches are usually allowed in the courthouse

Bring your phone and watch. Charge up before you go so you can use it while you wait.

But just like class, put it away when you're in the court room.

3 Avoid hats and torn stuff

Hoodies are cool until you wear the hood.

3½ Turn on DND!

Toggle stealth mode and keep your phone in DND.

DON'T DISTURB!

Dress in layers. Smart!

Sneakers are fine if that's what you like!

Comfy!

LET HIM COOK WE LOVE TO SEE IT
